

*Dear Dr. Jacobs,*

*Today is the day that I am reborn.  
Today I transform.  
And you make this possible.*

*From the moment that you walked into the room on my initial consultation,  
I just knew that I was in the right hands.*

*Thank you for being you. You are an extraordinary man, with amazing talent;  
and your compassionate character exudes from within you.*

*Thank you for having and showing genuine care for your patients as well as  
myself. Thank you for taking the time to ensure that each of your patients endure a  
smooth process from the beginning to the end.  
Thank you for your words of wisdom;  
and may God continue to bless you.*
